ABOUT MOTI ENTERPRISES

QUALITY TODAY, RELIABILITY EVERYDAY.

Moti Enterprises is a trusted wholesale supplier of laboratory consumables and diagnostic products, dedicated to supporting laboratories, hospitals, diagnostic centers, research institutions and healthcare professionals with high-quality products and dependable service.

OUR MISSION

To provide premium quality laboratory consumables and diagnostic products at competitive prices with timely delivery and exceptional customer service.

OUR VISION

To be the most preferred and reliable partner in the field of laboratory supplies by delivering value, building trust and growing together with our customers.

OUR VALUES

- Quality Assurance
- Integrity & Transparency
- Customer Satisfaction
- Timely Delivery
- Continuous Improvement

WHO WE SERVE

We proudly serve a wide range of customers including diagnostic labs, hospitals, clinics, research laboratories, educational institutions and government organizations.

“

At Moti Enterprises, we believe that reliable products and honest service build lasting relationships.

Your Trust, Our Commitment.

”

QUALITY PRODUCTS

Sourced from trusted manufacturers.

RELIABLE SERVICE

On-time delivery and customer support.

COMPETITIVE PRICING

Best quality at best value.

CUSTOMER SUPPORT

We are here to help you always.

OUR PRODUCTS

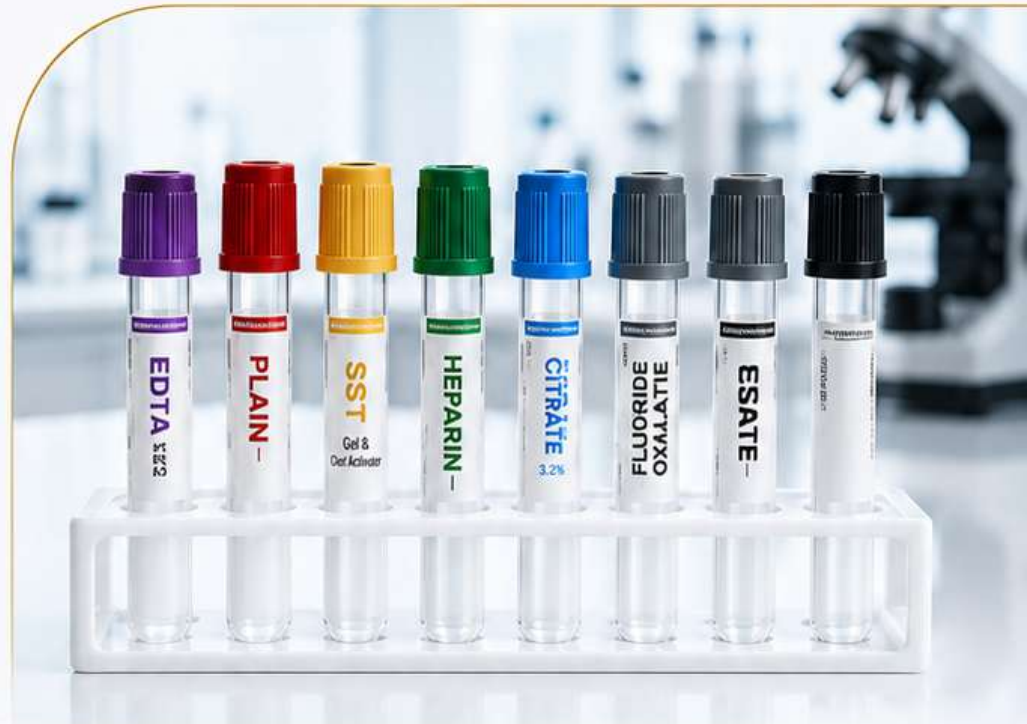

VACUTAINERS

Precision. Safety. Reliability.

Vacutainers are widely used in clinical laboratories for safe and efficient blood collection, transport and processing. Our vacutainers are manufactured with the highest quality standards ensuring accuracy and reliability in every test.

DESIGNED FOR ACCURATE RESULTS

- ✓ High quality glass / PET tubes
- ✓ Sterile & Non-toxic
- ✓ Consistent vacuum for optimum performance
- ✓ Leak proof & Secure seal
- ✓ Compatible with all standard blood collection needles and holders

PATIENT SAFETY

Ensures safe blood collection and minimal risk of contamination.

ACCURATE RESULTS

Maintains sample integrity for precise and reliable test outcomes.

TIME SAVING

Efficient sample handling and processing for better workflow.

SUPERIOR QUALITY

Manufactured under strict quality control for consistent performance.

“

Our vacutainers are trusted by laboratories, hospitals and healthcare professionals for their durability, safety and uncompromised quality.

QUALITY YOU CAN TRUST. EVERY SAMPLE. EVERY TIME.

URINE CONTAINERS

Clean Collection. Accurate Results.

Our urine containers are designed for safe, hygienic and leak-proof collection, transport and storage of urine samples. Manufactured using premium quality materials, they ensure reliability and sample integrity in every test.

KEY FEATURES

Leak Proof & Secure

Tight seal prevents leakage and contamination.

High Quality Material

Made from non-toxic, medical grade plastic.

Clear & Transparent

Graduated markings for easy reading and accurate measurement.

Multiple Options

Available in various sizes and cap types to suit different needs.

Hygienic & Safe

Individually packed for maximum hygiene.

SAFE COLLECTION

Ensures contamination free urine sample collection.

ACCURATE TESTING

Supports precise analysis for reliable diagnostic results.

TRUSTED QUALITY

Manufactured to meet international quality standards.

ENVIRONMENT FRIENDLY

Made from recyclable materials for a better tomorrow.

“

Reliable containers for reliable results.

BECAUSE ACCURACY STARTS WITH THE RIGHT COLLECTION.

OUR PRODUCTS

TIPS

Precision Tips for Precise Results.

Our high quality tips are designed to ensure accuracy, reliability and contamination-free performance in every pipetting task. Ideal for research, clinical diagnostics and laboratory applications.

KEY FEATURES

High Quality Material

Made from virgin polypropylene for superior durability and chemical resistance.

Accurate & Reliable

Precision engineered for optimal fit and accurate liquid handling.

Low Retention

Smooth inner surface minimizes sample loss and improves accuracy.

DNase / RNase Free

Certified free from DNase, RNase and pyrogens.

Variety of Options

Available in multiple volumes, types and packaging to meet every need.

CONSISTENT PERFORMANCE

Ensures reproducible results in every experiment.

CONTAMINATION FREE

Sterile, DNase/RNase free and pyrogen free tips.

TRUSTED QUALITY

Manufactured under stringent quality control standards.

WIDE COMPATIBILITY

Compatible with most major pipette brands.

“

Every drop matters. Our tips ensure accuracy you can trust, performance you can rely on.

PRECISE TIPS. PRECISE RESULTS.

PLAIN TUBES

Simple. Strong. Versatile.

Plain tubes (without caps) are ideal for a wide range of laboratory applications including sample collection, storage, centrifugation and transport. Made from high quality glass, these tubes offer clarity, strength and chemical resistance for reliable performance.

KEY FEATURES

High Quality Glass

Made from superior quality glass for clarity and durability.

Smooth Rim & Round Bottom

Ensures safe handling and prevents sample loss.

Chemical Resistant

Withstands most laboratory chemicals and solutions.

Heat & Pressure Tolerant

Suitable for heating, mixing and centrifugation.

Multiple Sizes

Available in a wide range of sizes to meet diverse needs.

IDEAL FOR

Sample Collection

Sample Storage

Centrifugation

Solution Mixing

General Laboratory Use

RELIABLE QUALITY

Manufactured to maintain consistency and reliability in every use.

LAB TESTED

Tested for strength, clarity and performance under laboratory conditions.

EASY TO USE

Simple, effective and suitable for various laboratory procedures.

ECONOMICAL CHOICE

Cost-effective solution without compromising on quality.

BIO WASTE BAGS

Safe Disposal. Cleaner Tomorrow.

Our bio waste bags are designed for the safe collection, segregation and disposal of biomedical waste as per government regulations. Available in color coded options – Red, Yellow, Blue and Black – these bags ensure safety, hygiene and environmental responsibility.

KEY FEATURES

High Quality Material
Made from strong, durable and leak proof virgin plastic.

Biohazard Marking
Clearly printed with biohazard symbol and handling guidelines.

Leak Proof & Strong
Designed to prevent tearing, leakage and punctures.

Color Coded
Available in Red, Yellow, Blue and Black for easy waste segregation.

Regulation Compliant
Manufactured as per BMW Management Rules.

RED

Contaminated Waste
(Infectious Waste,
Soiled Waste)

YELLOW

Human & Animal
Anatomical Waste

BLUE

Glassware, Metallic
Implants &
Sharps Waste

BLACK

General Waste
(Non-Recyclable
Waste)

IDEAL FOR

Hospitals

Diagnostic Labs

Research Institutions

Dental Clinics

Nursing Homes

Healthcare Centers

SAFE HANDLING
Ensures safe collection and transport of bio medical waste.

INFECTION CONTROL
Helps in minimizing the risk of infections and cross contamination.

ENVIRONMENT FRIENDLY
Promotes responsible waste management and a cleaner environment.

PREMIUM QUALITY
Trusted quality with consistent strength and performance.

“

SEGREGATE TODAY, PROTECT TOMORROW.
CHOOSE THE RIGHT COLOR. ENSURE SAFETY FOR ALL.

”

OUR PRODUCTS

RAPID TEST KITS

Fast Results. Trusted Diagnosis.

Our Rapid Test Kits are designed for quick, accurate and reliable detection of various infections and health markers. Easy to use, highly sensitive and specific, these kits deliver results in minutes, supporting efficient decision making in clinical and point-of-care settings.

KEY FEATURES

Accurate & Reliable
High sensitivity and specificity ensures dependable results.

Quick Results
Results in minutes for faster diagnosis and treatment.

Easy to Use
Simple procedure with minimal training required.

High Quality Standards
Manufactured under strict quality control for consistent performance.

Wide Range
Available for infectious diseases, hormones, cardiac markers and other health parameters.

Stable & Convenient
Easy to store and transport with stable shelf life.

IDEAL FOR

Hospitals

Diagnostic Labs

Clinics

Pharmacies

Field & Outreach Programs

Point-of-Care Testing

EARLY DETECTION

Helps in early diagnosis and timely treatment for better outcomes.

PATIENT FRIENDLY

Minimally invasive, quick and convenient for patients.

COST EFFECTIVE

Affordable testing solution with reliable accuracy and performance.

TRUSTED QUALITY

Reliable results you can trust, every time.

“

Quick testing. Accurate results. Better care.

RAPID RESULTS. RIGHT WHEN IT MATTERS.

”

OUR PRODUCTS

REAGENTS & HEMATOLOGY

Precision Reagents. Accurate Results.

We offer a comprehensive range of high quality reagents and hematology solutions for accurate analysis and reliable results. Our products are manufactured under strict quality controls to ensure consistency, stability and optimum performance in every test.

KEY FEATURES

High Quality & Purity

Raw materials of the highest grade for consistent performance.

Accurate & Reliable

Engineered for precise results in every test.

Wide Range

Complete portfolio for hematology and clinical diagnostics.

Stable & Long Lasting

Formulated for maximum stability and extended shelf life.

Instrument Compatible

Compatible with leading analyzers and systems.

Safe Packaging

Leak proof, secure packaging to maintain product integrity.

IDEAL FOR

Hospitals

Diagnostic Labs

Hematology Labs

Research Institutes

Blood Banks

Clinical Laboratories

CONSISTENT PERFORMANCE

Built to deliver reproducible and dependable results.

QUALITY ASSURED

Manufactured under strict quality management systems.

SAFE TO USE

Non-toxic, user friendly formulations.

RELIABLE PARTNER

Committed to quality, service and customer trust.

“

Quality Reagents. Reliable Results.

EMPOWERING ACCURATE DIAGNOSIS EVERY DAY.

”

PETRIPLATES & OTHERS

Essential Tools for Every Lab.

We provide a wide range of high quality microbiology and laboratory essentials including Petriplates and other disposables that ensure easy handling, accuracy and contamination free results.

KEY FEATURES

High Quality Material
Made from premium grade, crystal clear PS material for optimum clarity and strength.

Sterile & Safe
Individually packed and sterilized to ensure safety and reliability.

Smooth & Even Surface
Ensures uniform growth and accurate observation.

Wide Variety
Multiple sizes and types to suit diverse laboratory applications.

Leak Proof & Durable
Designed to prevent leakage and withstand rigorous laboratory use.

IDEAL FOR

Microbiology
Labs

Research
Institutions

Hospitals &
Diagnostics

Educational
Institutes

Pharmaceutical
Industry

Quality Control
Departments

CONSISTENT QUALITY

Every product is manufactured to meet stringent quality standards.

RELIABLE PERFORMANCE

Ensures accurate results and reproducibility in every experiment.

CONVENIENT PACKAGING

Secure, hygienic packaging for easy storage and safe handling.

TRUSTED BY PROFESSIONALS

Preferred choice of laboratories across hospitals, research and academia.

“ Quality supplies. Better results.

PARTNERING IN DISCOVERY. DELIVERING EXCELLENCE. ”

OUR PRODUCTS

URINALYSIS

Accurate Analysis. Better Diagnosis.

Our urinalysis range includes reagent strips, controls and accessories that help in the quick and reliable evaluation of various parameters in urine. Designed for efficiency and consistency in diagnostic laboratories and healthcare settings.

KEY FEATURES

Accurate & Reliable

High quality reagents for precise and consistent results.

Easy to Use

Simple procedure with quick interpretation.

Wide Parameter Range

Tests for leucocytes, nitrite, protein, glucose, ketone, pH, blood and more.

High Quality Standards

Manufactured under strict quality control for dependable performance.

Secure Packaging

Moisture resistant packaging ensures reagent stability and long shelf life.

IDEAL FOR

Hospitals

Diagnostic Labs

Clinics

Research Institutes

Routine Screening

Health Check-up Centers

PRECISE RESULTS

Advanced reagent technology ensures accurate detection of urine parameters.

TIME SAVING

Quick testing and easy interpretation for faster decision making.

USER FRIENDLY

Simple workflow suitable for both automated and manual testing.

TRUSTED QUALITY

Consistent performance that laboratories can rely on every day.

“

Reliable urinalysis solutions for better patient care and confident results.

”

SWABS | HAND GLOVES / MASKS

Complete Protection. Complete Care.

We offer a wide range of consumables for sample collection and personal protection — ensuring hygiene, safety and reliability in every use.

*Essential Supplies
for Every Lab
& Healthcare Facility*

SWABS

Accurate Sample Collection

- ✓ Sterile & Safe
- ✓ High Absorbency
- ✓ Multiple Types Available
- ✓ Individually Packed

Used for: Microbiology | Rapid Tests | Pathology | Research

HAND GLOVES

Safety in Every Touch

- ✓ Powdered & Powder-Free
- ✓ Latex & Nitrile
- ✓ Excellent Grip
- ✓ Comfortable Fit

Ideal for: Laboratories | Hospitals | Clinics | Dental & Diagnostic Centres

MASKS

Breathe Safe. Stay Protected.

- ✓ 3-Ply Protection
- ✓ High Filtration Efficiency
- ✓ Comfortable Ear Loops
- ✓ Soft & Breathable

Suitable for: Healthcare Staff | Laboratories | Public Places

QUALITY ASSURED
- Trusted products
for dependable use

HYGIENE & SAFETY
- Helps in infection
control and prevention

ON-TIME SUPPLY
Reliable service,
when you need it

COMPLETE RANGE
All essential consumables
- under one roof

“ Small Supplies. Big Impact on Health. ”

Quality | Safety | Service | Trust

HOSPITAL CONSUMABLES

Essential. Reliable. Everyday Care.

A comprehensive range of high quality hospital consumables designed to support healthcare professionals in delivering safe, efficient and effective patient care.

OUR RANGE

SYRINGES

- 1ml, 2ml, 5ml, 10ml, 20ml & 50/60ml
- Luer Lock / Luer Slip
- Sterile & Individually Packed

IV CANNULA

- 16G, 18G, 20G, 22G, 24G, 26G
- With Injection Port
- Sterile & Individually Packed

INFUSION SETS

- Standard & DEHP Free
- With / Without Air Vent
- Smooth Flow & Kink Resistant

DISPOSABLE NEEDLES

- 18G to 26G
- Hypodermic Needles
- Sterile & Individually Packed

SCALPELS

- Stainless Steel Blade
- Sterile & Individually Packed
- Different Sizes

COLLECTION CONTAINERS

- Sterile Urine Containers
- Leak Proof
- Wide Mouth & Easy to Use

BANDAGES & PLASTERS

- Adhesive Bandages
- Crepe Bandages
- Surgical Tapes
- Comfortable & Skin Friendly

GAUZE & COTTON

- Absorbent Gauze Swabs
- Rollers & Sponges
- Cotton Wool
- 100% Pure & Highly Absorbent

CATHETERS

- Foley Catheters
- Nelaton Catheters
- Different Sizes
- Sterile & Individually Packed

DISPOSABLE DRAPES

- Surgical Drapes
- Plain / Fenestrated
- SMS / Non Woven
- Sterile Options Available

DISPOSABLE APRON & GOWNS

- PE Aprons
- Surgical Gowns
- Comfortable & Fluid Resistant

APPLICATORS & SPONGES

- Cotton / Foam Tipped Applicators
- Surgical Sponges
- Sterile & Non-Sterile Options

WHY CHOOSE US?

PREMIUM QUALITY
Stringent quality checks for maximum safety.

WIDE RANGE
Everything you need under one roof.

COST EFFECTIVE
Competitive pricing without compromising quality.

TIMELY DELIVERY
Reliable supply and on-time delivery assurance.

CUSTOMER SUPPORT
Dedicated support for all your requirements.

IDEAL FOR

Hospitals

Clinics

Nursing Homes

Diagnostic Labs

Veterinary Clinics

Home Care

“ Quality consumables for better care, because every life matters. ”

ALL MEDICAL & LAB CONSUMABLES

Every Test. Every Need. One Trusted Source.

A complete range of high quality medical and laboratory consumables to support accurate diagnosis, efficient workflow and better patient care.

OUR COMPREHENSIVE RANGE

BLOOD COLLECTION

- Vacutainer Tubes
- Plain / Clot Activator Tubes
- ESR Tubes
- Micro Collection Tubes
- Needle & Holder
- Tourniquets

LABWARE & PLASTICWARE

- Test Tubes
- Beakers, Conical Flasks
- Measuring Cylinders
- Centrifuge Tubes
- Pipette Tips & Racks
- Petri Dishes, Culture Plates

MICROBIOLOGY

- Culture Media & Supplements
- Petri Plates
- Inoculating Loops & Needles
- Stains & Reagents
- Slides
- Collection & Transport Systems

DISPOSABLES & PPE

- Gloves (Nitrile, Latex, Vinyl)
- Face Masks & N95
- Caps, Shoe Covers
- Gowns & Aprons
- Face Shields & Goggles
- PPE Kits

DIAGNOSTIC TEST KITS

- Rapid Test Kits / ICT
- Infectious Disease Tests
- Cardiac Markers
- Hormone Tests
- Drug of Abuse Tests
- Malaria, Dengue, Typhoid & more

REAGENTS & CHEMICALS

- Biochemistry Reagents
- Hematology Reagents
- Immunology Reagents
- Stains & Dyes
- Buffers & Solutions
- Laboratory Chemicals

HEMATOLOGY & BIOCHEMISTRY

- Hematology Reagents
- Control & Calibrators
- Biochemistry Reagents
- Serum / Plasma / Controls
- Quality Control Materials
- Analyzer Accessories

URINALYSIS

- Urine Strips
- Urine Containers
- Sediment Collection Tubes
- Reagent Strips
- Controls & Calibrators
- Microscopy Slides

SYRINGES & NEEDLES

- Disposable Syringes (1ml to 50ml)
- Hypodermic Needles
- Insulin Syringes
- Safety Syringes
- IV Cannulas

INFUSION & IV CARE

- IV Cannulas
- Infusion Sets
- Three Way Stopcocks
- Extension Sets
- IV Fluid Administration Sets

WOUND CARE & DRESSINGS

- Gauze & Swabs
- Adhesive Bandages
- Crepe Bandages
- Surgical Tapes
- Cotton Wool & Balls
- Wound Dressings

GENERAL CONSUMABLES

- Labels & Barcodes
- Slide Boxes & Cassettes
- Marker Pens
- Biohazard Bags
- Cleaning & Disinfectants
- Miscellaneous Lab Items

WIDE RANGE

One stop solution for all your medical & laboratory needs.

PREMIUM QUALITY

Products from trusted brands ensuring accurate and reliable results.

TIMELY DELIVERY

On-time supply to keep your lab running without interruption.
